

Fabíola Costa

AntiBioCoat (Fabíola Costa)

BILATERAL MEETINGS

Monday 14:30 - 18:00

DESCRIPTION Anti-adhesive biopolymer coating

ORGANIZATION TYPE University / R&D institution / Accelerator,

Offer & Request

ANTI-ADHESIVE BIOPOLYMER COATING

We are producing a natural polymer with exquisite anti-adhesive properties. We are applying this biopolymer in the production of a bacterial anti-adhesive coating for catheters.

COOPERATION OFFERED

1. Technical co-operation

COOPERATION REQUESTED

1. Technical co-operation
 2. Investment/Financing
