Startup Braga

<http://www.startupbraga.com>

### Bilateral Meetings

- Monday 14:30 - 18:00

#### Description

Startup Braga is an innovation hub designed to assist the inception and development of high potential entrepreneurial projects for international markets. In partnership with Microsoft Ventures we provide business acceleration programs for startups with global ambitions. Braga is a technological hotbed, where many international well succeeded startups have emerged and home of a renowned University (University of Minho) and of the International Iberian Nanotechnology Laboratory (INL) - a leading international research centre.
